SECURITY

Access to Classified Information and Material

1. Purpose. To inform personnel of the security clearance of individuals assigned to the various elements of the Wilmington District. The purpose of a security clearance is specifically to authorize access to classified information where needed.
2. Applicability. All elements of the Wilmington District.
3. References.
 - a. AR 380-5
 - b. AR 380-13
 - c. AR 380-1
4. Policy. Individuals occupying positions determined as nonsensitive will not be issued a security clearance. Individuals occupying positions determined as noncritical-sensitive will be issued a SECRET security clearance after appropriate investigation has been completed without derogatory results. Personnel appointed to positions designated as critical sensitive will be issued a TOP SECRET security clearance after appropriate background investigation has been completed without derogatory results. Security clearances will be issued by the District Security Manager.
5. General. Individuals listed in Appendix A are authorized access to classified information and material CONFIDENTIAL, SECRET, TOP SECRET to the degree indicated, on a "need-to-know" basis, when required in the performance of their official duties. The responsibility for determining an individual's need for access to any type of classified information or material rests upon the person who has possession or control of the information involved, and not the recipient. In imparting classified information orally, the recipient will be advised of the classification of the information. Care will be exercised to insure that only personnel on the access list are allowed access to classified information or material.
